

How do I add activities and resources to a Moodle course?

There are a range of activities and resource you can add to your Moodle courses.

Activities:

ACTIVITIES	
<input type="radio"/>  Assignment	<input type="radio"/>  Group choice
<input type="radio"/>  Attendance	<input type="radio"/>  Interactive Content
<input type="radio"/>  Chat	<input type="radio"/>  Journal
<input type="radio"/>  Choice	<input type="radio"/>  Lesson
<input type="radio"/>  Database	<input type="radio"/>  Portfolio
<input type="radio"/>  Dialogue	<input type="radio"/>  Questionnaire
<input type="radio"/>  External tool	<input type="radio"/>  Quiz
<input type="radio"/>  Face-to-Face	<input type="radio"/>  SCORM package
<input type="radio"/>  Feedback	<input type="radio"/>  Survey
<input type="radio"/>  Flash Card Set	<input type="radio"/>  Technical Project
<input type="radio"/>  Forum	<input type="radio"/>  Turnitin Assignment 2
<input type="radio"/>  Glossary	<input type="radio"/>  Wiki
	<input type="radio"/>  Workshop

Resources:

1. Open your course
2. Turn editing on

Turn editing on

3. Go the section you would like to add the activity or resource
4. Click: **Add an activity or resource**

+ Add an activity or resource

5. Select the activity or resource and click: **Add**

These links will give a description of each activity and resource.
