

# How do I change due dates on my Moodle assignment?

To enable students to upload assignments the dates must be valid and current. To change the date of an *Assignment* activity do the following:

1. Login to Online Moodle and go to your course
2. Turn editing on
3. Go to the *Assignment* activity you want to update
4. Click *Edit* > *Edit Settings* to go to the activity settings

5. Scroll down to the *Availability* section and adjust the date/time as needed

A screenshot of the Moodle Assignment 'Availability' settings section. The section is titled 'Availability' with a dropdown arrow. It contains three date/time settings, each with a calendar icon and an 'Enable' checkbox.

- Allow submissions from**: 16 March 2018 08:00. The 'Enable' checkbox is checked.
- Due date**: 23 March 2018 17:00. The 'Enable' checkbox is checked.
- Cut-off date**: 4 April 2018 17:00. The 'Enable' checkbox is checked.

6. Scroll to the bottom of the page and click the 'Save and display' button
