

What is &mahara?

Mahara is an electronic portfolio or e-portfolio. This is an online collection of learning evidence where you can upload files, embed resources from the web and create journals. You can also collaborate with others in groups and forums sharing files, ideas and feedback.

How do I get onto Mahara?

- Logon to moodle with your username and password
- Click on the Mahara icon

How do I get around Mahara?

Navigate around using the **User Menu** arrow and the **Burger Menu**.

User Menu:

A screenshot of the Mahara User Menu. The menu is open, showing options for the user "Fiona Barr Weltec". The "Settings" option has a small downward arrow next to it, indicating a sub-menu. The "Logout" option is at the bottom.

- Account details
